HORNER SCHOOL,

OXFORD, N. C.

For fifty-four years Horner School has educated the pick of North Carolina boys. It has succeeded because it has desired to succeed. When a boy thoroughly establishes himself at this school he has already won success in life. It brings out the man in him. Why experiment with cheap schools? Get a good article at a good price.

An excellent dairy; 350 acres of hill and dale; tennis courts and ball ground; the influences of cultured women in the dining hall; individual attention to each student; fifteen boys to each teacher; do not some of these reasons appeal to you?

Do you wonder that a Horner boy is known wherever you meet him?

J. C. HORNER.

Fifty-three new subscribers to the daily NEWS AND OBSERVER were added to the rapidly growing list of new subscribers yesterday. At this rate the regular circulation will reach the ten thousand goal before very long. The demand on Sunday, January 1st, called for 10,500 papers. Here is a statement of growth unparalleled in any city of America of the population of Raleigh:

Democratic State Platform---1904.

Adopted at Greensboro, June 24 1904.

The Democratic party of North Carolina, in convention assembled, declaring anew its allegiance to the fundamental principles of government as expressed in former platforms, congratulates the people of the State that a Democratic administration has again established throughout their borders the reign of law and liberty and the reign of peace and progress. Radical rule, with its nightmare of horrors, has passed away. Our people are no longer employed in guarding their homes and protecting their lives, liberty and property as they were under Republican rule; but, safe in the protection of law, breathing the air of liberty, and enjoying the freedom which comes from security, our men and our women are devoting their energies to the peaceful pursuits of honest industry, to the education of their children and to the care of the helpless and unfortunate. Agriculture, manufacturing and commerce are bounding forward in helpful rivalry, neither receiving nor desiring subsidies or protection except that afforded by a stable and honest government. Nowhere in North Carolina is there riot or disorder; nowhere is there suffering or destitution. Such are the fruits of peace and order of honesty and efficiency, of intelligence and patriotism, of Democratic administration under the leadership of the peerless orator, statesmen and educator, Charles Brantley Aycock, and the other honest and efficient public officials associated with him in the State administration in all three departments of government.

North Carolina has again come into her own. She stands in the forefront of Southern States, leading all in educational and industrial progress. Her sons are looked to at home and abroad for educational, incustrial and commercial leadership. What a contrast to conditions existing recently when the degradation of our educational, charitable and penal institutions, through the vices, incompetency, extravagance and corruption of Republican boards of management caused the State to hang her head in shame and stand an object of pity among her sister States.

The Democratic party points with pride to its settlement of the race problem in North Carolina—a settlement that depends upon Democratic supremacy for its permanence. The Constitutional Amendment furnishes to all the people of the State safeguards of peace and order, of life, liberty and happiness, and guarantees educational, religious and social progress as well as industrial prosperity and development.

We re-affirm our constitutional declarations that "religion, morality and knowledge being necessary to good government and the happiness of mankind schools and means of education shall forever be encouraged," and "that the people have a right to the privilege of education, and that it is the duty of the State to guard and maintain that right," and we express our hearty approval of the educational work of the present administration, and our gratification, at the great improvement made in our educational conditions under the present Democratic administration, and would call attention to the fulfillment of the former promise of the party to provide at least a four months' school term for all the children of the State. And we further express our cordial commendation of the work of the teaching profession for the mental, moral and material advancement of the people, and pledge for the future our best endeavors to strengthen and increase the usefulness and efficiency of our whole public educational system.

We approve the general principles of the Watts law regulating the manufacture and sale of liquors, and limiting the same to localities in which there may be adequate police protection. The principle that no saloon or still shall operate except under police protection is as sound as that whiskey shall not be sold to minors, to drunkards, or on Sundays, or near the schools and churches. The General Assembly has the power, and when controlled by the Democratic party can be trusted to make all amendments that experience and conditions may demonstrate to be wise and proper.

The contrast between the present and the preceding administration of the State Prison speaks trumpet-tongued of Democratic efficiency and Republican rascality and imbecility. In all the history of the State the lowest level of immorality, venality, and inhumanity was reached in the management of the State convicts under the administration of Daniel L. Russell. Today the institution is free from debt and has on hand a surplus large enough to pay the bonds necessitated by Republican peculation and inefficiency. We pledge the party to continued business-like and humane management of this institution.

We call attention to the success that has attended the establishment of the insurance department which has increased our annual receipts by $90,000, and furthermore, in addition to this increase, that fees now received by the State in this department which formerly were allowed to the official collecting them, are more than enough to cover all increases and additions in salaries of executive and judicial officers.

We pledge the party to a fair and just system of taxation in which all subjects of taxation shall bear their just and equal proportions of the burdens of government.

After long and careful deliberation and conference with many of its creditors, the State of North Carolina adjusted its debt upon a basis so fair and honorable as to

win the approval of the financial world and to secure ratification by nearly every creditor of the State. During the present year attempts have been made to re-open the question settled at that time by the State's wisest and best man. The Democratic party of 1904 approves the settlement made in 1879 and will forever oppose any and all attempts from any quarter to set aside the settlement then made. It will abide the mandates of the courts but it will not consent to re-open the settlement that was alike creditable to the State and fair to the holders of its securities.

The Democratic party established the system of pensioning Confederate soldiers and opened the Soldiers' Home to the care of the veterans who responded to the call of the State in the War Between the States. Every dollar given them was appropriated or forced by the Democratic Legislature or Democratic public sentiment. We pledge the party to a fuller discharge of a debt that can never be fully paid to these aging heroes who offered their lives as a sacrifice upon the altars of their country.

We point with pride to the record of the Democratic party in its care of the unfortunate classes of our State and promise to continue to enlarge our charitable institutions until all the indigent insane are cared for at the expense of the State.

Corporations being creatures of the law should be under control of the sovereign and amenable to the law. But being useful and necessary incidents of business, all their rights should be guarded and protected by the law. Like other citizens they should be protected from wrong and oppression. Especially should they be protected from suits in form to procure receiverships designed to wreck the properties and transfer them from their rightful owners to the possession and control of financial adventurers.

We call upon Congress to enact laws clearly defining the powers of Federal judges in the appointment of receivers and to protect corporations against improper and illegal appointments.

We favor the establishment of the Appalachian Forest Reserve, and urge our Senators and Representatives to continue their efforts to secure the establishment of the same.

At no period in the history of the republic has the Democratic party been so necessary to the welfare of the people and the cause of free government, as it is today. A great conservative force, it stands a barrier between the recklessness of organized greed and the desperation of oppressed humanity. Its mission is to give liberty and justice to all, monopoly and tyranny to none; to restrict the Federal government within the constitutional limits of its authority, to resist its every aggression beyond the scope of its delegated power; to limit its power of taxation to the needs of the government economically administered; to distribute impartially the burdens of government; to preserve unimpaired the reserved rights of the States and of the people; to maintain the right of local self-government; these are and have always been among the fundamental principles of the Democratic party.

It is especially necessary to restrict the executive head of the Federal government within the constitutional limits of his authority, and no argument of temporary expediency can justify the assumption by him of powers conferred exclusively upon the legislative department of the government or the violation by him of plain provisions of constitutional, statute and treaty law.

For the last eight years the Republican party has been in complete control of the Federal government in all its branches. During that time trusts and monopolies have multiplied. They have increased their extortions from the people. They dominate the Republican party and compel it to administer the affairs of the republic in their selfish interest. We condemn the President for his surrender to trust influences and for his failure to enforce the law against monopolies and monopolists. Congress appropriated $500,000.00 to employ special counsel to enforce the laws against trusts. In twelve months he expended for such purpose only one-twentieth of that sum. In the midst of crime and havoc committed by these wrongdoers, he will not stop the violation of statutes enacted for the protection of the people, nor punish the criminals who plunder them, although his attention was called to the manner in which the perpetrators might be punished by recent decisions of the Supreme Court.

We denounce the present iniquitous, unjust and trust-creating protective tariff imposed upon the people by the Republican party and demand its immediate revision, to the end that all unjust burdens shall be removed, and especially those upon the necessaries of life and those that enable the trust to extort from the people unreasonable profits and to sell their products to consumers at home at greater prices than are charged for the same goods to the foreign consumer.

We review with alarm the growing tendency of the government under Republican administration toward despotic centralization at home, as well as despotic imperialism abroad. We denounce the policy of the Republican party in building up a strong centralized government at Washington at the expense of the sacred rights of the sovereign States; that which in its policy and conduct has reversed the clause of the constitution, reserving to the States all rights not specifically conferred upon the Federal government, and has assumed for the central government at Washington the vast residium of power solemnly guaranteed to the people by the constitution. The inevitable consequence of this policy and practice will be the destruction of popular government and the establishment of a military empire. Confidently relying upon these fundamental principles of government and appealing to the record of our party in the past, we in-

vite all who believe in popular liberty, popular education, popular government and white supremacy, in freedom, both at home and abroad, in honesty, efficiency, simplicity and economy of administration, in the removal of monopolies and oppression, under whatever guise and by whomsoever practiced, to unite with us in maintaining in North Carolina Democratic rule and in destroying Republican misrule in the United States.

Republican State Platform---1904.

1. The Republican Party of North Carolina, in convention assembled, at Greensboro, North Carolina, on this the 18th day of May, 1904, hereby endorses and ratifies the principles and policies enumerated in the platforms of the National Republican Party, adopted in 1896 and 1900. In spite of Democratic opposition the policies and principles of our party have been written into law, and we point with pride to its achievements. It has blessed our country with unparalleled prosperity. It has carried happiness to every home. It has expanded our commerce. It has broadened our territory. It has made supreme our influence at home and abroad. It has raised our credit, until today it is the highest in the world. It has ever stood for universal freedom, and has carried the blessings of liberty into the islands of the sea. It has held our honor unsullied, and our flag untarnished, until we have taken our place as the arbiter of the nations of the world. Throughout its long lease of power, its Presidents and leaders have always been equal to the greatest demands; and now the country, with all its vast and varied interests, has a Republican President in the person of Theodore Roosevelt who has shown himself no less equal to every emergency, who has developed a statesmanship that entitles him to the confidence of the nation, and for these reasons we hereby endorse his administration and pledge our earnest support for his nomination and election.

2. We endorse the Republican administration in protecting the rights of the people against monopolies, trusts and other unlawful combinations.

3. We endorse the Republican party for its action in constructing the Panama Canal, and the people of the United States from all sections, especially from the South, are to be congratulated upon the prospects of so soon securing the great interoceanic waterway which will give new impetus to the nation's commerce, and prove a blessing to the country at large, and especially to the South.

4. We endorse the foreign policy of expansion of the Republican party by which Porto Rico, Hawaii and the Philippines have been annexed to the United States, thus opening up a new market to the manufacturers of this country.

5. We endorse the Republican party for liberating the Cubans from Spanish tyranny and oppression, and point with pride to their success and progress since the establishment of the Republican form of government.

6. We deplore the death of the late Senator Marcus A. Hanna, and recognize in his exalted life and character the highest type of the patriotic citizen, the Christian gentleman and the wise statesman, and cherish his life history as one of the most precious heritages of the Republican party.

7. We most heartily endorse the able, fearless and aggressive course of Hon. Thos. S. Rollins, our State Chairman, and commend his efforts for the success of the party in the State.

8. The Republican party favors the Appalachian Park, and we promise to use all honorable means to bring about legislation establishing the same.

9. We favor the education of the masses, but denounce the practice of the present Democratic State administration in its efforts to make the common schools a part of the Democratic machine, to be run for partisan purposes, until their usefulness has been greatly impaired and those most in need of education largely deprived of its advantages. We pledge ourselves to the correction of these abuses, and to so amend the law as to remove our free schools as far as possible from the realm of politics, and thus prevent their being diverted to partisan advantages, and to give to the system an elasticity that will inure to the best interests of those most in need of its help.

10. The Republican party favors generous public aid to all charitable institutions in the State, and the enactment of pension laws more liberal and just to the old Confederate soldiers.

11. We denounce the policy of the Democratic party in its effort to destroy those they cannot use for partisan ends, which has resulted in driving both labor and capital from our State, thereby decreasing the sources of taxation at the very time their administration has bankrupted our treasury.

12. We denounce the management of the Atlantic and North Carolina Railroad and Hotel by the Democratic party as incompetent, corrupt and extravagant, and declare that we favor the leasing of that property, and promise the people of North Carolina that if elected to power we will forever put an end to such scandals as have recently been brought to light in connection with its management. We denounce the Governor's star chamber investigation of that road and declare that the secret and clandestine investigation into its affairs was an outrage and a disgrace, and one which the citizens of this State should not tolerate.

13. We denounce the hypocrisy of the Democratic party in its effort to deceive the people by saying they had not raised the rate of taxation, while they have forced an

increased valuation on all property by legislation, have created a commission for this express purpose, and have thereby largely increased the burden of taxation upon our people. As an evidence of this, we ask every taxpayer to compare his receipt for the taxes of 1903 with those of former years.

14. We denounce that policy of the Democratic party that continuously and insidiously attacks local self-government by legislative appointment of Justices of the Peace, County Commissioners and other officers all over the State, and demand that all matters pertaining to local affairs and county government be left entirely with the voters of the communities and counties concerned.

15. We denounce frauds, robberies, intimidation in elections, and we appeal to the honest citizens of North Carolina to use their best efforts in seeing that the coming election is free from corruption, and is conducted honestly in all respects.

16. We denounce that spirit of anarchy in the Democratic party that prompted our Governor to say he would have emptied the State Treasury in defense of those indicted for election frauds before one of them should be convicted, and we condemn the Democratic machine for defending criminals at the expense of the taxpayers.

17. We condemn the Democratic party machine for its unwarranted efforts to impeach our Supreme Court Judges for partisan purposes.

18. We favor, as we have ever favored, just and equal laws for the promotion of temperance, but in pursuance of our time-honored policy of Local Self-Government we favor a law which submits to the qualified voters of the several counties and incorporated towns of the State, at their request, the question of whether they shall or shall not be permitted to make and sell intoxicating liquors, and the faithful execution of their will as expressed at the ballot box.

19. We denounce the present State administration as being the most extravagant in the history of North Carolina. The year 1903 cost the taxpayers the enormous sum of $2,201,604.31, or nearly as much as was paid out during the entire four years of Governor Vance's administration from 1877 to 1881.

20. We denounce the policy of the Democratic party that has left as a legacy to future generations an addition to our State debt of more than five hundred thousand dollars.

21. We cordially invite all persons, irrespective of party affiliation, who are opposed to oppressive taxation; opposed to star chamber methods; opposed to class legislation; opposed to extravagance and mismanagement, and all persons who favor more economic administration of or State and county affairs; who favor the leasing of the Atlantic and North Carolina Railroad; and who believe in expansion, sound money and protection to unite with us in overthrowing the Democratic machine in North Carolina.

NOTABLE BOOKS

ADOPTED by the STATE BOARD of EDUCATION of NORTH CAROLINA

HYDE'S TWO BOOK COURSE IN ENGLISH
BOOK 1.

Pre-eminently popular throughout the country. In Virginia the Hyde Two Book Course in English was recently adopted by a vast majority of counties and cities from a multiple list selected by the State Board of Education.

One or both books of this series have already been adopted by the following States:

Georgia, Kansas, North Carolina, Indiana, Louisiana, Tennessee, Virginia.

ALSO BY SUCH PROMINENT CITIES AS

Atlanta, Greater New York, Syracuse, Binghamton, Harrisburg, Wilkes-Barre, Detroit, Philadelphia, Toledo

AND HUNDREDS OF OTHERS.

THE NATURAL SYSTEM OF VERTICAL WRITING.

(Book 1—8 inclusive.)

More largely used than any other series of writing published.

Adopted for exclusive use in all public schools of Missouri, Washington and Oregon. Adopted also by the State Boards of Education of South Carolina, Virginia and Delaware.

This system is superior to others with respect to simplicity, legibility and speed and is therefore preferred by business men, teachers and by every one who has investigated its superior features.

THE FOLLOWING HIGH SCHOOL BOOKS are also extensively used in North Carolina:

THE WELLS' MATHEMATICS.—Endorsed by the leading colleges and universities. Recommended as standard texts for American high schools and academies.

ESSENTIALS OF ALGEBRA. ESSENTIALS OF GEOMETRY
COMPLETE TRIGONOMETRY.

Especially adapted to the needs of high schools.

JOYNES-MEISSNER'S GERMAN GRAMMAR

FRASER & SQUAIR'S FRENCH GRAMMAR

The two most widely used modern language texts ever published. No modern language teacher can afford to postpone an investigation of these standard grammars.

Circulars and detailed information concerning these text books cheerfully furnished on request.

Treasurer (term expires January 1, 1909) .....B. R. Lacy

Legislature meets biennially in odd years on the Wednesday after the first Monday in January, and there is no limit to length of sessions, but if sessions are continued longer than 60 days members "shall serve without compensation."

STATE DEBT.—The old debt, excepting such as is not recognized, has mostly been funded under the funding laws of 1879, the time prescribed for the exchange having been extended to January 1, 1905. These laws provided for the issue of (1) consolidated 4 p. c. bonds due in 1910 to fund old ante-war bonds at 40 per cent of face value, "New" railroad bonds recognized as valid at 25 per cent, and bonds of 1866 and 1868 at 15 per cent, nothing being given for overdue coupons; and (2) for new consolidated 6 per cent bonds due in 1919, for which the North Carolina RR. construction bonds were made exchangeable at par, holders of construction bonds abating $240 of overdue interest on each $1,000 bond. The new bonds, both 4s and 6s, carry tax-receivable coupons, and are exempt from "all State, county or corporate taxation or assessment, direct or indirect, general or special." The 4s of 1903 are also exempt from taxation. (See decision U. S. Supreme Court v. 78, P. 594; v 78, p. 1248; v 79, p. 1728.)

An amendment to the State Constitution passed by the Legislature in 1879 and ratified by popular vote in 1880, forbids the General Assembly to pay or recognize as valid the following bonds: Special tax bonds $11,066,000; bonds to Chatham RR., 1868, $1,030,000, and to Williamston & Tarboro RR., $150,000; Penitentiary bonds of 1868, $44,000. The special tax bonds are in 3 classes, class 1 bearing the coupon of April, 1869, and since; class 2 bearing the coupon of October, 1869; class 3 bearing the coupon of April, 1870. Holders of the special tax bonds brought suit to establish the validity of their bonds and the case was decided in favor of the State.

The recognized debt which had been adjusted up to December 1, 1908, stood as follows:

LOANS—	Interest.		Principal.	
NAME AND PURPOSE—	P. Ct.	Payable.	When Due.	Outstanding.
Construction bonds c	6	A & O	April 1, 1919.....	$2,720,000
Renewal bonds c	4	J & J	July 1, 1910	3,408,950
Bonds of 1899—				
Prison debt bond.....	4	J & J	January 1, 1909.....	110,000
Prison farm bonds.....	4	J & J	January 1, 1909	x60,000
Bonds of 1903.....	4	J & J	January 1, 1913	300,000

xinterest paid from earnings of State Prison.

PAR VALUE OF BONDS.—The consolidated 4s are $50, $100, $500 and $1,000; the consolidated 6s $1,000 each. The prison bonds are for $500 and $1,000 each. The bonds of 1903 are for $500 and $1,000 each.

INTEREST on the consolidated 4s and 6s is payable in New York at the National Park Bank and in Raleigh.

TOTAL DEBT RECOGNIZED AND TOTAL ADJUSTED.—The funding act of March 4, 1879, has been extended to January 1, 1905. The recognized fundable debt which has been funded and the recognized fundable debt which has not been funded are as follows:

	Funded.	Not funded.
Consols 6 per cent	$2,720,000	$22,000
Consols 4 per cent	3,408,950	210,250

To the foregoing we should add the further fact that the State does not have to raise money for the interest on the six per cent bonds for the reason that the lease of the North Carolina Railroad provides a fund for the payment of the interest thereon, and the State holds three millions in the stock of the road, which if sold would much

more than pay the principal. In addition the State holds other stocks and bonds to the value of $1,274,350; total $4,274,550.

ASSESSED VALUATION—The State's assessed valuation prior to 1903, was made on the basis of about 2-3 of the cash value, which accounts for the large increases in that year.

Years	Real Estate.	Personal	Railroads.	Total.
1903	($347,857,088)		$85,810,527	$433,667,535

RECOMMENDS THE

Kellam Cancer Hospital

WHERE CANCERS ARE CURED WITHOUT THE USE OF THE KNIFE.

Roanoke, Va., August 30, 1904.

While in Richmond attending to the duties devolving upon me as a member of the house of delegates, I had occasion to examine into and know the workings of the Kellam Cancer Hospital. I believe that institution is doing more to relieve those suffering from cancer than any other one institution in the State, and is worthy the confidence of those suffering from this and like ailments.
